1940 JOURNAL OF PROCEEDINGS

FORTY-SECOND ANNUAL COUNCIL

ST. PAUL'S PRO-CATHEDRAL, MISHAWAKA

May 1st, 1940

The Forty-second Annual Council of the Diocese of Northern Indiana assembled in St. Paul's Pro-Cathedral, Mishawaka, Indiana, on May 1st, 1940, this being the day appointed by the Bishop and pursuant to the call issued by the Secretary.

At 7:30 a. m. there was a Requiem for the first Bishop of the Diocese, the Right Reverend John Hazen White, D. D., the Celebrant being the Reverend Harvey L. Woolverton, Rector of St. James' Church, Goshen.

Morning Prayer was read at 9:30 a. m. by the Reverend Harvey L. Woolverton.

The Procession was formed of choir and clergy and moved into the Pro-Cathedral at 10:00 a. m., and at the conclusion of the Processional Hymn the Council was called to order by the Bishop of the Diocese. The Assistant Secretary of the Diocese, in the absence of the Secretary, was instructed to call the roll of the diocesan clergy from the official list. The Bishop also asked that the Committee on Credentials report at this time on the Parishes and Missions eligible to seat and vote at this Council.

The roll of the clergy of the Diocese was called by the Assistant Secretary, who then reported to the Council the clergy present of those entitled to seat and vote. (For the clergy present at this Council, see page 8).

The Committee on Credentials then reported that they had duly examined the records of the Treasurer of the Diocese, and ascertained which Parishes and Missions were entitled to seat and vote at the Forty-second Annual Council of the Diocese. (For the Lay Delegates representing these Parishes and Missions, see page 10).

The Assistant Secretary reported to the Bishop that there was present a Constitutional Quorum of both the Clergy and the Lay Delegates. The Bishop declared the Council to be duly organized and proceeded to the celebration of the Conciliar Eucharist.

The Celebrant at the Eucharist was Bishop Gray, assisted by the Reverend William A. Driver and the Very Reverend George Ridgway, of Rockford, Illinois. The Reverend E. E. Smith was the Bishop's Chaplain, and the Reverend Harold G. Kappes, Master of Ceremonies.

At the usual place during the Eucharist, the Bishop read his Annual Address to the Council. (See page 26). The Bishop announced the presence of the Right Reverend Paul Jones, D. D., LL. D., and requested that both the Council and the Diocesan Woman's Auxiliary afford him a seat in their meetings whenever he desired to be present. The Bishop further requested those who were not present for the roll call to report to the Secretary of the Diocese upon their arrival.

Following the celebration of the Holy Eucharist, it was moved, seconded, and carried that the representatives present from parishes and missions other than those named in the report of the Committee on Credentials be invited to take seats in the Council without the right to vote.

BISHOP AND COUNCIL—(Three priests and three laymen, to serve for a term of three years.)

Clerical Nominations: The following were nominated from the Council to serve on the Bishop and Council (terms expiring in 1943): The Ven. J. McNeal Wheatley, the Reverend Fathers H. G. Kappes, Paul Severance, O. S. B., V. P. Stewart, H. L. Woolverton, J. E. Foster, W. E. Hoffenbacher, and S. H. B. Croft.

The Reverend Fathers Foster and Hoffenbacher requested that their names be withdrawn, which request was consented to by the Chair and the Council. At this point, Father Severance explained the position of the Benedictines in the Diocese, instructing the Council in regards to the Benedictine Rule and purpose. He pointed out that each member of the Community would be happy to serve the Diocese in any way possible, particularly in those fields wherein lay their talents and abilities, but that it was contrary to the spirit of their Rule and Order to participate in any of the political activities of the Council, and that therefore they must request that their names be dismissed from any mention in this or future Councils to elective offices. Father Severance's name was therefore withdrawn.

It was then moved and seconded that the above nominations be closed. Motion carried.

Lay Nominations: The following were nominated by the Council to serve as Lay members on the Bishop and Council (terms expiring in 1943): Messrs. D. H. Mitchell, G. U. Bingham, Dean Barnhart, Glen Sawyer, J. A. Johnson, Justin Myers, Lawrence Dorsey, and Byron Sorg.

It was then moved and seconded that the above nominations be closed. Motion carried.

At this point the Secretary announced the appointment of the Reverend Robert J. Murphy as Assistant Secretary, which appointment was confirmed by the Council.

The Secretary was instructed to have the ballots prepared by the printer during the lunch period; and the Council was informed that the elections would take place at 2:00 p. m. immediately after the luncheon.

STANDING COMMITTEES

Appointed by the Bishop of the Diocese

The Bishop then announced his appointments of the Standing Committees of the Diocese which are to report to the Council of 1941. (For the list of the Standing Committees, together with the members of the same, see page 7).

COMMITTEE ON MEMORIALS—The Reverend Edward L. Roland and the Reverend Lawrence C. Ferguson; and Messrs. J. A. Johnson and George U. Bingham.

A proposed amendment to the Constitution and Canons of this Diocese was presented by Mr. Lawrence Dorsey, who requested that the Committee on Constitution and Canons be instructed to make a report on this amendment during the day before the Council adjourned. Mr. Dorsey's proposed amendment read as follows:

> "I present the following amendment to Section 2 of Canon 5 of the Constitution and Canons of the Diocese of Northern Indiana as published in 1928. To insert in line 8 between the words 'upon' and 'the' the following words: 'and shall not exeeed 10% of', so that this sentence will read, 'These assessments shall be based upon, **and shall not exceed 10% of,** the average of the current expenses of each parish and mission, as shown in the annual reports made in conformity with Section 4 of this Canon, and published in the Journals of the Diocese for the five years previous'."

It was moved and seconded that this amendment be referred to the Committee on Constitution and Canons immediately. Motion carried. The Roll was called to ascertain if all the members were present. All were found to be present except Judge White, and the Committee was instructed to meet immediately while the reports were being read to the Council.

The Reports were then presented to the Council as follows:

The Report of the Archdeacon of the Diocese was presented by the Venerable J. McNeal Wheatley, and upon motion, seconded and carried, was accepted. (See page 36).

The Report of the Standing Committee of the Diocese was presented by the Reverend Virgil P. Stewart, Secretary, and upon motion, seconded and carried, was accepted. (See page 37).

The Report of the Bishop and Council was presented by the Venerable J. McNeal Wheatley, Secretary, and upon motion, seconded and carried, was accepted. (See page 39).

A partial Report of the Finance Committee was presented by Mr. Seth F. Green, chairman. (See page 40). The balance of the Report, consisting of the Budget, was to be taken up during the afternoon session of the Council.

Likewise the Reports of the Treasurer of the Diocese and the Department of Christian Education were requested to be presented during the course of the afternoon session.

The Report of the Field Department was presented by the Reverend William A. Driver, chairman, and upon motion, seconded and carried, was accepted. (See page 41).

The Report of the Department of Publicity was presented by the Reverend Virgil P. Stewart, chairman, and upon motion, seconded and carried, was accepted. (See page 41).

Upon motion, the Council adjourned for luncheon at 1:00 p. m. The luncheon was held at the Hotel Mishawaka in conjunction with the women of the Diocesan Woman's Auxiliary. This was the only joint session of the two bodies, although the women of the Church were meeting in Annual Convention at the Pro-Cathedral simultaneously with the Diocesan Council.

At the luncheon the Diocesan Council and the Diocesan Woman's Auxiliary paid tribute to the Bishop of the Diocese, and expressed their felicitations on this, the fifteenth anniversary of his consecration as Bishop of the Diocese of Northern Indiana. Mr. Glenn Sawyer, acting on behalf of the Anniversary Committee, headed by the Reverend Virgil P. Stewart, presented the Bishop with an anniversary gift from the Diocese. Mr. Sawyer said:

> "As some small token of the great affection and high esteem which we have for our spiritual Father in God, Bishop Gray, I am authorized to present to you, Bishop, in the name of the parishes and missions which have been under your leadership for the past fifteen years, this certificate which tells you that there is being prepared for delivery in the near future a purple Cope and a Festal Mitre. As the Cope covers you may it be as the protective covering of the affection of your Diocese; and as you wear the jewelled Mitre, may it tell in part of the high veneration and devotion with which we accept your apostolic ministrations."

Resolutions were presented by various members of the combined conventions and the secretary of the Diocesan Council instructed to send letters to the Reverend L. W. Applegate, Rector Emeritus of Christ Church, Gary and Hobart; to the Reverend W. J. Lockton, Rector Emeritus of St. John's Church, Elkhart; and to the Reverend Canon W. J. Cordick, Rector Emeritus of St. Thomas' Church, Plymouth, conveying to each of the Reverend Clergy the loving greetings of both bodies, together with an expression of regret that they could not be present on this occasion.

The Bishop of the Diocese then presented the Right Reverend Paul Jones, D. D., LL. D., to the members of the joint session, Bishop Jones giving a very inspiring and splendid speech on the work of the Commission appointed by the National Council for the Relief of Refugees. Following Bishop Jones' speech, further gifts were made at the luncheon for the work among the refugees being carried on by the Church, which gifts when combined with the offering taken at the morning service totaled $63.92, which sum was sent to Dr. Franklin at the National Headquarters in New York.

Following the luncheon session, the Diocesan Council reconvened at the Pro-Cathedral for the afternoon session. Tellers were appointed in connection with the balloting as follows:

TELLERS: **Bishop and Council:** Clerical—The Reverend Lawrence C. Ferguson and the Reverend Robert J. Murphy. Laymen—Mr. E. Spencer Walton and Mr. A. N. Langendorff.

Standing Committee: The Reverend Gerald H. Lewis and the Reverend Sydney H. B. Croft.

General Convention: Clerical—The Reverend W. Edward Hoffenbacher and the Reverend Earl T. Jennings. Laymen—Mr. H. H. Griswold and Major Frank M. Little.

Father Driver called attention to the omission of the name of Mr. F. C. Carstens from the list of Lay Deputies to the General Convention on the ballot.

The Bishop spoke of the Report of the Committee of the House of Bishops upon the Proper Care of Trust Funds. (See page 42). This Report was referred to the Department of Finance for study, with instructions to bring in any recommendations necessary. Mr. Seth F. Green as chairman of the Department was asked to take charge of this.

The Report of the Department of Religious Education was presented by the Venerable J. McNeal Wheatley, chairman, and upon motion, seconded and carried, was accepted. (See page 45).

The Report of the Treasurer of the Diocese was presented by Mr. James H. Haberly, and upon motion, seconded and carried, was accepted. (See page 59.) Mr. Haberly commented upon the fact that the financial condition of the Diocese is better than it has been for a number of years, as is evidenced by the fact that for the first time in many years the budget has been balanced.

The Report of the Treasurer of Missionary Funds was presented, and upon motion, seconded and carried, was accepted. (See page 64.) Mr. George U. Bingham, as chairman of the Department of Missions, presented the Report in place of the late Duncan J. Campbell. Mr. Campbell having died before he could prepare his report, the audit of Mr. William H. Young for the year 1939 was presented. Likewise Mr. Bingham presented the audit of Mr. Young covering the period from the first of January, 1940, up until the time of the transfer of books to Mr. Fred N. Smith. The Bishop called the attention of the Council to the fact that there were one or two items in connection with the Shortage Fund of 1939 which it was difficult for Mr. Young to make out, but assured the Council that the totals were intact. The Bishop called attention particularly to the following:

Mr. Campbell had listed a gift of $15.00 to the Bishop's Emergency Fund which should have been credited to the Shortage Fund.

The sum of $150.00 had been credited to the Woman's Auxiliary of Michigan City, whereas they had sent only $100.00. Mr. Campbell had apparently confused the Woman's Auxiliary of the Diocese with the Woman's Auxiliary of Michigan City.

In connection with the Shortage Fund, some checks had been sent by various parish and mission treasurers directly to Mr. Franklin in New York. Likewise some checks had been made out to Mr. Franklin and sent to Mr. Campbell. In both cases the Diocese had been credited with a greater sum by National Headquarters than actually appears on the Missionary Treasurer's books, but Mr. Campbell had made notations and separated the funds as nearly as it was possible for him to do. Mr. Young's difficulty lay in trying to sort out what was intended for the Shortage Fund. The Bishop called the attention of the Council further to the fact that of the Shortage Fund, $500.00 had been sent to National Council as pledged, and $500.00 had been sent to Valparaiso for the missionary work there.

The motion for the adoption of the Report of the Audit of the Missionary Fund was made by the Venerable J. McNeal Wheatley,

who also moved that the Report of the Auditor for the period from January 1st to March 21st be accepted. The Bishop instructed Mr. Bingham to place one copy with the Secretary of the Diocese, and one copy with the Bishop of the Diocese, the latter to be for the use of the auditor next year. The auditor is instructed to incorporate the partial audit for the year 1939 into his Report at the end of this fiscal year.

The Bishop then presented a Report of the Children's Lenten Mite Box Offering, and upon motion, seconded and carried, the Report was accepted. (See page 69.)

The Finance Committee, through the chairman, Mr. Seth F. Green, presented the balance of their Report, the balance having to do with the Budget items for 1941. At the request of the Council, each section of the Budget was presented and considered separately.

A lengthy discussion was entered into by Father Foster, and replies made by Father Wheatley, Mr. Haberly, and Mr. Green, over certain items of the budget. Father Foster's discussion was prompted by a desire on his part to see the assessments reduced if possible, but upon the assurance of members of the Finance Department that such a reduction would be unwise at this time, Father Foster withdrew his motion. Upon the motion of Father Wheatley, seconded and carried, the entire budget was accepted by the Council. (See page 69.)

The customary motion was then made, seconded and carried, authorizing the Bishop and Council to review and revise any and all budgets for the year 1941 in the interim between this Council and that of 1941 so as to meet all financial conditions.

The Report of the Trustees of the Diocese of Northern Indiana was then made by the Hon. Gilbert A. Elliott, secretary, and upon motion, seconded and carried, the Report was accepted. (See page 53.)

ELECTION RETURNS

The Report of the Tellers was then made, with the following results: (fifty-six ballots cast, making twenty-nine necessary to election)

ELECTED TO THE BISHOP AND COUNCIL (for a term of three years, expiring in 1943)—

The Reverend Virgil P. Stewart, the Venerable J. McNeal Wheatley, Mr. George U. Bingham, Mr. Glenn R. Sawyer, and Mr. J. A. Johnson. It was then moved by the Reverend Lawrence C. Ferguson that the Reverend Harold G. Kappes be unanimously elected as the third clerical member to the Bishop and Council. Objection to the unanimous election of Father Kappes to the Bishop and Council was made by Father Driver, making it necessary for the Tellers to distribute ballots for a further election.

Upon the return of the Tellers Father Kappes was found to have the majority vote and was declared elected.

ELECTED TO THE STANDING COMMITTEE—The Reverend Fathers Lawrence C. Ferguson, J. McNeal Wheatley, Peter Langendorff, Virgil P. Stewart, and George J. Childs.

ELECTED AS DEPUTIES TO THE GENERAL CONVENTION —The Venerable J. McNeal Wheatley, the Reverend Fathers Virgil P. Stewart, Peter Langendorff, and Lawrence C. Ferguson were declared to be elected as the clerical deputies to the General Convention; and Messrs. James H. Haberly, George U. Bingham, Milton Latta, and J. A. Johnson were declared to be elected as the Lay Deputies.

With these elections accomplished, ballots were distributed, and the election of alternate deputies to the General Convention proceeded. When the Tellers returned, the following were declared to be elected:

ELECTED AS ALTERNATE DEPUTIES TO GENERAL CONVENTION—The Reverend Fathers Robert J. Murphy, William A. Driver, Harvey L. Woolverton, and Richard D. Taylor were declared elected as Alternate Clerical Deputies; and Messrs. Gilbert A. Elliott, Rudolph V. Shakes, Lewis Cole, and Arthur May were declared elected as Alternate Lay Deputies.

The Reports were then continued.

No Report was made by the Chancellor of the Diocese.

The Report of the Committee on Constitution and Canons was presented by the Hon. Gilbert A. Elliott, chairman. The first part of his Report had to do with a proposed change in the Constitution and Canons of the Diocese to permit women to have seats in the Diocesan Council. The Council was referred to page 73 of the 1939 Journal in connection with the discussion of this Report. Upon motion made by Father Langendorff, seconded and carried, the first part of the Committee's Report was accepted and the Committee discharged from any further work on the subject. (See page 47).

The second part of the Committee's Report had to do with a proposed change in the Constitution and Canons to permit women to become members of parish vestries. Again the Council was referred to page 73 of the 1939 Journal. Mr. James H. Haberly moved the adoption of the second part of the Committee's Report, which motion

was seconded and carried, and the Committee discharged from any further work on the subject. (See page 49.)

The third part of the Committee's Report dealt with the proposed amendment to Section 2, Canon 5, as presented by Mr. Dorsey at the morning session. In the interim since the presentation of the proposed amendment the author had agreed to an addition to the amendment of the words, "to become effective with the budget of 1942."

In the discussion that ensued, Mr. Seth F. Green, speaking for the Finance Committee, assured the Council that the financial condition of the Diocese would be seriously hurt by the proposed amendment, that 10% was not sufficient. Father Wheatley suggested that the author of the amendment should also be the one upon whom the burden should fall of considering the ways and means of taking care of this reduction so that the budget could be met. Mr. Dorsey replied to Father Wheatley, who declared his reply did not answer the question.

Father Foster inquired as to whether a change to 12% instead of 10% in the proposed amendment would be acceptable, pointing out that their chief concern was to establish a ceiling beyond which no assessments could be made. Mr. Green again took the floor to explain the difficulties involved, and Mr. Haberly pointed out that such an amendment would handicap the work of the Church in the Diocese of Northern Indiana—that whether the ceiling were placed at 10%, 12%, or 15%, the results would be the same, that the Church's work would be blocked so that no advancements could be made beyond the maximum.

Mr. Haberly then moved that the proposed amendment be tabled, which motion was duly seconded and carried. (For Report of the Committee on Constitution and Canons regarding this proposed amendment, see page 51.)

The Report of the Committee on the State of the Church was then made by the Reverend William A. Driver, chairman, and upon motion, seconded and carried, the Report was accepted. (See page 51.)

Father Driver informed the Council that the work of the Committee and the work of the National Church was seriously handicapped by the procrastination of many parishes and missions in preparing and sending in their annual Reports, emphasizing the need of these Reports to be returned as early in January of each year as possible.

Father Driver then presented a Resolution:

> "Resolved, that in 1941 the Council be begun at such an hour, and the events of the day so arranged, that matters of importance need not be rushed through late in the afternoon."

The motion was made by the Reverend Virgil P. Stewart that this Resolution be accepted, which motion was duly seconded and carried.

The Venerable J. McNeal Wheatley reported that "the Presiding Bishop has requested the Diocese of Northern Indiana to assume as our missionary project the salary of the Venerable Edward J. Cooper of Christobel, Canal Zone. The amount of his salary corresponds very closely to the Missionary Expectancy of this Diocese; and the Presiding Bishop has been officially informed that the Diocese of Northern Indiana will be most happy to have our missionary offerings go for that purpose. The object of this is to give us here at home a personal interest in a definite missionary in the field, and to give Father Cooper a personal contact with us in Northern Indiana."

The Report from the chairman of the Committee on the Church Pension Fund was called for. Mr. J. A. Johnson, having just been appointed to succeed the late Mr. Duncan J. Campbell, had no report to make. Upon question by Father Ferguson as to the paid-up status of the Diocese, the Council was assured by the Bishop that we are not in any jeopardy.

The Report of the Board of Examining Chaplains was presented by the Reverend Virgil P. Stewart, Secretary, and upon motion, seconded and carried, the Report was accepted. (See page 51.)

The Registrar of the Diocese made no Report.

A Resolution was presented by Mr. Glenn Sawyer:

"Be it resolved, that this Forty-second Annual Council extend its highest commendation and sincere congratulations to the Priest-in-charge, Father Kappes, to the Pastor Emeritus, Father Smith, to the Board of Trustees and all the members of the Holy Trinity Hungarian Mission for having completed the final payment on their mortgage, and for the fine forward strides they are making for God and His Church."

Upon a motion made by Dean Ingersoll, and duly seconded, the Resolution was accepted by the Council; favorable comments and felicitations were made by the Chair.

The Committee on Memorials made their Report through the Reverend Edward L. Roland, and upon motion, second and carried, the Report was accepted. (See page 52.)

The Reverend Paul Severance, O. S. B., presented a Resolution:

"Be it resolved, that the delegates to the General Convention of the Church in Kansas City of this year be instructed to act on the questions of the Presbyterian Concordat and the Canon on Marriage and Divorce in conformity with the tenor of the Bishop's Address to this Council."

Objection was made by Father Ferguson and a considerable discussion ensued, during the course of which the Resolution was re-read at the request of Father Stewart. A vote was called for, with the result that the Resolution was accepted by the vote of 24 in favor as against 5 opposed.

The Reverend Sydney H. B. Croft urged that beginning in 1941 the Diocesan Council meet on a Saturday, pointing out the objections to be raised in connection with mid-week sessions of the Council. Father Roland recalled the Resolution presented by Father Driver that the Council be commenced at an earlier hour, and the suggestion of Father Croft was tabled.

The Dean of the Pro-Cathedral invited the Council to meet in Mishawaka again in 1941, which invitation was accepted by the Council.

Father Ferguson moved that the Council be convened on May 1, 1941, which date is a Thursday. Upon being duly seconded the motion was carried, and the Secretary instructed to inform the parishes and missions of the date and place of meeting in due time.

Father Ferguson then expressed the appreciation of the delegates to the Council for the courtesy extended by the Pro-Cathedral to the Diocesan Council.

After singing the Gloria in Excelsis, and receiving the Benediction of the Bishop, the Council was declared to be duly adjourned at 5:15 p. m.

ANNUAL ADDRESS

of

THE RIGHT REVEREND CAMPBELL GRAY, D.D., S.T.D.

To The

FORTY-SECOND ANNUAL COUNCIL

of the Church in the

DIOCESE OF NORTHERN INDIANA

1940

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. For fifteen years we have labored together for the spread of the Kingdom of God in this Diocese and to take our place and do our share for the extension of Holy Church throughout the world. We have gone through years of serious financial problems and we have had other difficulties which we have faced together in mutual confidence. Your Bishop greatly appreciates the constantly growing cooperation of clergy, parishes, and missions with the Diocese and the increasing mutual interest of parishes and missions in the life and activity of one another, and the unfolding brotherly love among the priests of the Diocese. These things make for solidarity and your Bishop can truly say with St. Paul, concerning clergy and laity alike, "I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ."

Today is also the forty-fifth anniversary of my immediate predecessor, John Hazen White, Doctor and Bishop, who was the last Bishop of the entire State of Indiana and the first Bishop of this Diocese. It has been our custom for fifteen years, ever since his death, to say a Requiem for the repose of his soul at an earlier hour on the same day and in the same place as the meeting of the Annual Council of the Diocese. The Requiem was said for him this morning at this altar. Surely we have the strengthening help of his intercession in the Communion and Fellowship of the Saints, as we pray for him that he may go from light to light and from strength to strength.

THE DEPARTED

Since the meeting of the last Council, our Heavenly Father has taken unto Himself the soul of Duncan James Campbell, for many years the Treasurer of Missionary Funds, an ex-officio member of the Bishop and Council, a Trustee of the Diocese, and many times a Deputy to General Convention. Not only has he served the Diocese long and faithfully, but also the Pro-Cathedral Parish of which he has been Senior Warden continuously for many years reaching back into the days of my predecessor. Words fail in trying to describe what Mr. Campbell has meant to this parish; but above all the many ways in which he served there stands out the testimony of his faithful and regular attendance upon the services of the Church as a devout communicant always in his place at the celebrations of the Holy Eucharist. May he rest in peace and the Light perpetual shine upon him.

Also there has gone on before us into the Church Expectant the soul of John P. Nicholson, who died a devout communicant of St. James' Parish, South Bend, of which he was a vestryman at the time of his death. He was a man of outstanding influence in the community and loyal to that branch of Holy Church to which we belong, the Anglican Communion. We commend his soul to God and pray that he may enter into the fullness of joy and peace.

Trinity Parish, Michigan City, and the Diocese of Northern Indiana have sustained a great loss in the death of Otto Aicher, for many years Senior Warden of that parish and a man always loyal to his Bishop. May God grant him continual growth in His love and service.

Beside these diocesan and parochial officials, there have been bereavements in our diocesan family, and if there are other departed souls whom we should commemorate, will you please give their names to the Committee on Memorials.

It was my sad duty, but my welcomed privilege, to take part in the burial service of the Rt. Rev. John Newton McCormick, D.D., one time Bishop of Western Michigan, who was buried from Grace Church, Grand Rapids, on November 29, 1939. Of the nine Bishops who took part in my Consecration fifteen years ago, Bishop McCormick is the last to be taken from our midst. Let us remember him along with all the others on this day, as we offer the Holy Sacrifice of the Altar.

CLERICAL CHANGES

Since the last Council, May 3, 1939, the following clerical changes have taken place:

The Rev. Raymond M. O'Brien resigned as rector of Trinity Church, Logansport, and priest-in-charge of St. Mary's, Delphi, and and Christ Church, Huntington, and has been transferred to the Diocese of Indianapolis.

The Rev. Clarence Parker, who was not canonically resident in this Diocese but was officiating by permission at Trinity Church, Kendallville, has accepted work and moved to the Diocese of Springfield.

The Rev. Edward L. Roland, who for about a year and a half, has been doing a wonderful piece of work at St. Thomas' Church, Plymouth, as well as in the surrounding country, and who has also made some valuable contacts at Culver, was, at the last Council, through inadvertence not yet transferred to this diocese. Since then his Letters Dismissory has been duly received from the Diocese of Springfield.

The Rev. Sydney Hugh Brice Croft has accepted the call of the Vestry of Gethsemane, Marion, and has been appointed by the Bishop in charge of St. Paul's, Gas City, and St. Luke's, Hartford City. He has been duly transferred from the Diocese of Milwaukee and is in residence at Marion. Father Croft has brought new life into this parish and these missions and is taking his place in civic activities.

The Rev. Gerald Horton Lewis has accepted the call of the Vestry of St. Andrew's, Kokomo, is in residence, and has been duly transferred from the Diocese of Southern Ohio. Father Lewis is building wisely and has won the hearts of his people.

The Rev. Harvey Livermore Woolverton has accepted the call of the Vestry of St. James', Goshen, and has been placed by the Bishop in charge of St. John's, Bristol, which, at the last Council, was under the cure of Fr. Stewart. Father Woolverton has come into a difficult work and is showing both courage and wisdom.

Each of these three priests gives promise of good work in their respective cures and will undoubtedly assume their active part in the life and work of the Diocese. We welcome them into our diocesan family and pray for them God's richest blessings.

THE ANNUAL MEETING OF THE WOMAN'S AUXILIARY

It is a great pleasure and privilege for us to have with us this morning, to join in our sacrifice of praise and thanksgiving, the women of the Diocese in their annual meeting assembled. Immediately at the conclusion of this service they will repair to the Guild Hall for deliberation upon their plans for their work in the Diocese for the coming year, to receive the reports of the splendid work they have done in the past year, and to elect their officers for the three ensuing years.

Here I would like to speak of our U.T.O. worker, Miss Marie Turley, who since the last Council has completed the intensive piece of work which was especially committed to her care in the Calumet Deanery, and has taken up her residence in Fort Wayne, working throughout the whole Diocese under the Department of Christian Education as advisor to the various groups in parishes and missions. The women of the Diocese have been a great help and inspiration to her and intend to continue their cooperation with her in her different fields of service.

We welcome in our midst today Miss Margaret Goodwin of Beloit, Wisconsin, who is the President of the Woman's Auxiliary of the Province of the Midwest. She is the guest of our women and will be the chief speaker at their meeting.

Also, we extend a cordial welcome to the Rt. Rev. Paul Jones, D. D., LL. D., who has come to us in the interests of our work among the refugees. He has an inspiring message and I have requested him to speak at luncheon when we shall all be together, men and women in joint session. I am requesting you to make your offerings at this service generous, so that we may do something to help relieve the suffering of refugees.

I ask the unanimous consent of the Council and also of the Woman's Auxiliary that Bishop Jones be accorded seat and privilege of the floor in both houses, so that he will be free to come and go to either of our meetings as he wills.

APPROPRIATION AND EXPECTANCY

Last year your Bishop requested you to raise a special fund over and above your other giving of one thousand dollars, five hundred of which was to be sent to the National Council for their Shortage Fund, and five hundred of which was to be used for the rehabilitation of our property at St. Andrew's, Valparaiso. We may be quite justly proud, though in all humility, of the fact that we raised within a few dollars of this total amount and were able to make up the balance from the surplus in our missionary treasury.

Also last year we overpaid our Expectancy of twenty-two hundred dollars by a little better than fifty dollars. The honor for this is due to the children of the Diocese, in that they exceeded the estimated amount for their Lenten Mite Box Offering.

For 1940 we set as our goal an Expectancy to National Council of twenty-five hundred dollars, twelve hundred as an estimate for

the Mite Box Offering, and thirteen hundred from our diocesan missionary treasury. We reached this goal and sent word to the National Council to expect from Northern Indiana twenty-five hundred dollars in 1940, unless National Council found it necessary to cut its appropriation to us. We received word back from headquarters that it would be necessary to cut their appropriation to us in the amount of two hundred dollars and they suggested that we turn in an Expectancy of twenty-three hundred only from this Diocese, which is still an increase of one hundred dollars over last year's Expectancy.

DIOCESAN MISSIONS

The missionary work in the Diocese in some places shows encouraging advancement and in other fields we have been confronted with problems. At Valparaiso the work at St. Andrew's goes on with a slow but steady development. Conditions at Hobart make it so that we cannot do much more than continue to minister to the communicants whom we have there. Neverthless, there have been confirmations there. At St. Augustine's, Gary, there are real signs of growth and the guild room of the church is being used through the week days for work among children and our hope is to establish a library there, not only as a place where people can come and read, but also for books that may be taken out into their homes. This is a project in which the whole Diocese can help.

Huntington, Garrett, and Kendallville have presented a real problem this past year. This is largely due to the fact that there has been no priest most of the year to work in these places. Their services have been few and irregular, and there has been no opportunity for pastoral work. At Kendallville there is a real challenging opportunity, if we can get the right set-up and a priest who is a real pastor. From this as a center the other places could be reached. Trinity Parish, Logansport, hopes soon to reach the point of independence, so that when that vacancy is filled and they call their new rector, they will be able not only to give up any diocesan aid for themselves, but also no longer will be associated with the mission stations. In that case Huntington could very readily be put under the care of a priest at Kendallville. Delphi might also be put under him, unless Father Taylor finds that he can continue to go there permanently from Peru as he has been doing since St. Mary's, Delphi, has been vacant. Hartford City and Gas City are responding to regular and diligent pastoral care.

At St. John's, Bristol, new and up-to-date Church School material has been secured and the priest-in-charge is giving personal attention to the instruction and training of the children. The congregations are steadily growing and interest in the Church is being revived. Trinity Hungarian Mission, South Bend, has paid off its entire indebtedness to the Diocese. This has been a long siege through many years and the priest and his congregation are to be greatly congratulated. There was a goodly number in the Confirmation Class and the congregations have so increased that the church is inadequate to their needs. This is not only true with reference to the size of the church but to its structure. It is scarcely appropriate to the worship of God in the beauty of holiness. We must begin to think of a larger, more adequate, and more befitting place of worship.

"PASTORAL STAFF" AND HOWE CONFERENCE

Perhaps the two greatest agencies for welding the Diocese together and for strengthening the internal life of each parish and mission are our diocesan paper, **The Pastoral Staff**, and our Summer Conference each year at Howe School. Of these two things I have spoken so frequently and in such full detail upon so many occasions that I shall not stop to dwell upon them now, but feel that the Bishop's charge would not be complete without urging your continued support, both of the paper and the conference.

THE CHURCH PRESS

The Presiding Bishop has been laying great stress upon the importance of the Church Press, having designated a week in January as Church Press Week. But if the Church Press is to have the support that would enable it to do its best work, it should be emphasized all through the Church year. It is of importance that, in addition to the Diocesan Church paper, there should be a General Church periodical in every Church family. Our Diocesan Chairman of Publicity has here for distribution some material on this subject and will be glad to receive subscriptions.

THE CONCORDAT

Of the proposed Concordat with the Presbyterians I spoke at some length last year. Let me say here at the outset that we have been given to understand that this proposed Concordat will not be brought to the General Convention for a vote at its meeting this coming fall. The Commission will probably report any further steps that they may have taken, but it is not expected to be presented for adoption or rejection. However, one can never tell when any legislative body may decide to take a given matter out of the hands of its Commission and bring it to the floor of the house.

In its present form it is not an honest document, either for the Presbyterians or the Episcopalians to adopt. I do not mean by this for one moment that the framers of it had anything but the most sincere (though I believe misguided) motives. I do not believe that they really represent the mind of the Church. From my conversations and correspondence with Presbyterian ministers I do not believe that they really represent the mind of the Presbyterians. It is so vague and indefinite that it is devoid of meaning and creates confusion. The real question at this stage of our negotiations is not whether we recognize each other's ordination. The real question for us now to ascertain is what we believe about ordination and about Holy Orders in general, and, furthermore, do we agree. No Presbyterian minister that I have conversed with believes that he is a Priest in the sense in which we use that word in the Prayer Book. Nor does he believe that he has the power to forgive sins, as in our Prayer Book at the ordination of every Priest when the Bishop says, using our Lord's own words, "Whosoever sins thou dost remit they are remitted unto them, and whosoever sins thou dost retain, they are retained." Nor does he believe that when he conducts his Communion service, he is offering a propitiatory sacrifice for the living and for the dead, as we Anglicans declare that we believe in the resume of our conference with Old

Catholics and Orthodox. Nor have I met a Presbyterian minister who desires, through the means of the proposed Concordat, to become a Priest, to hear confessions and give absolution, and to offer the Holy Sacrifice of the altar.

If a Bishop of the Episcopal Church should lay his hands upon the head of a Presbyterian minister, he would either be ordaining him to the priesthood or he would be doing nothing. The recognition of one's ordination does not require the laying on of hands. The Presbyterian minister upon whose head the Bishop's hands had been laid would be submitting himself to a thing that he would have to be eternally explaining away, both to himself and to his people.

If the Presbytery of the Presbyterian Church should lay their hands on the head of a Bishop of the Episcopal Church, to the Bishop's mind they would be adding nothing to him that he does not already have (putting it mildly) and the Presbytery would be proclaiming that the valid succession from the Apostles comes at least equally through the Presbytery as well as through the Episcopate.

We come back then to the intention. The laying on of hands is not magic. What do we intend by it? The proposed Concordat does not make it clear. In the ecclesiastical policy of the Anglican Communion, according to our formularies, the Bishop is indeed an administrator, the chief shepherd, pastor pastorum, but he is more than that. He possesses the power and has laid upon him the obligation to transmit Holy Orders and to keep and proclaim the Faith once for all delivered to the Saints. The real purpose of the Episcopate is therefore to conserve and preserve the Priesthood and defend and hand on the Faith.

Not only do we face this problem about ordination, but there is no provision in the Concordat for Confirmation, which is laid down in the New Testament as one of the foundations in accordance with the principles of the doctrine of Christ. There is nothing in the Concordat that assures us even of the validity and necessity of Holy Baptism.

I therefore find myself in accord with an ever-growing number of people in our own Communion and among the Presbyterians who feel that the proposed Concordat has been plucked too green; that it has come from deeply consecrated leaders whose zeal has outstripped their wisdom; that instead of making for greater unity it will cause confusion and perhaps further division. Let us hope that the Concordat in its present form at least will not be pressed, but let us pray that our friendly relations will be continued and that conferences will still be carried on between us.

I commend to you Bishop Manning's sermon on this subject, preached at the Philadelphia Divinity School, January 8, 1940.

MARRIAGE AND DIVORCE

It is probably safe to say that all of us realize that our present Canon on Marriage and Divorce is an utterly impossible Canon. At the time of last revision part of the new matter was passed and part of the old remained. We have, therefore, a disjointed law, difficult to interpret and almost impossible to follow.

Whatever may be proposed which deals unmistakably with monogamy, the lifelong union of one man with one woman should be sup-

ported. The Christian family and the sanctity of the Christian home cannot be too greatly emphasized as a part of our fundamental law, and everything that makes for instruction and preparation for Holy Matrimony is all to the good. It is to be hoped that the list of impediments to Holy Matrimony may be greatly clarified and amplified. The principle for which Holy Church has ever stood and upon which our Lord has spoken with daring certainty is that when two Christians have been joined together in Holy Matrimony, that bond can be broken by nothing but death. By Christians Holy Church has always meant baptized persons. Impediments that existed prior to the union may make it null and void ab initio, which is a very different thing.

When we come to any legislation on this subject, there is one thing that should always be kept very clear. The question of whether the Church should perform the ceremony and the question of communicant status after the union is effected must stand or fall together. The essence of what the Church does in performing the solemnization of Holy Matrimony is to give the blessing of the Church to the union. If the Church can bless the union, the man and his wife are entitled to communicant status and the reverse is equally true. It is perfectly absurd to pass any sort of Canon that under certain circumstances would not permit a Priest of the Church to solemnize the marriage and then if the people go elsewhere to be united, permit the Church to restore them to communicant status. If they are entitled to communicant status they are entitled to the blessing of the Church upon their union, which is Holy Matrimony.

This Council has the right to instruct its deputies to the General Convention how they are to vote on any legislative matter that may come up and I hope that you will take a very definite stand, both on the Concordat and on the Marriage Canon, on the sound and fundamental principles set forth by our Lord Jesus Christ and His Church.

And now, my beloved, let us proceed to offer unto Almighty God our great act of worship and invoke Him that He may pour out upon us the abundance of His Holy Spirit.

REPORT OF THE ARCHDEACON OF THE DIOCESE

The Venerable J. McNeal Wheatley

The Archdeacon of the Diocese begs to report that his duties for the past year consisted in the main of several conferences with the Bishop of the Diocese relative to adoption of ways and means whereby the work of the Church might be strengthened in several of our mission stations. He also had many conferences with Priests whose work carry them into fields where the Church is either established or unorganized. It was also his privilege to conduct one service of Holy Matrimony and to bring several un-baptized children in touch with the church, which contacts later led to the baptizing of the children.

Respectfully submitted,

J. McNEAL WHEATLEY,

Archdeacon of the Diocese

REPORT OF THE BISHOP AND COUNCIL

The Venerable J. McNeal Wheatley, Secretary

Three meetings of the Bishop and Council have been held since the last Diocesan Council, viz., June 21st, 1939; January 4th, 1940; and April 18th, 1940. Matters disposed of have been primarily the usual routine of business. At the first meeting the Council was completely formed into Departments. On January 4th, the Council met and after their meeting advised the National Council of the Diocesan Expectancy for the current year. The final meeting, held in April of this year, was called to prepare the Budgets to present to this Council and to consider any Departmental problems that might come before the meeting.

During the past year the Council lost one member by resignation, the Reverend Raymond M. O'Brien. The vacancy being filled by appointment of the Bishop, the Rev. Robert J. Murphy.

The Council also experienced the severe loss by death, our Missionary Treasurer, Duncan J. Campbell, and have expressed both in their Minutes and by special communication to Mr. Campbell's widow their distinct sense of loss. By appointment by the Bishop, Mrs. D. J. Campbell served temporarily as treasurer of the Department until such time as the Bishop made definite appointment in the person of Mr. Fred N. Smith, who agreed to serve in the capacity of the Treasurer of Missionary Funds for the un-expired term of the Missionary Treasurer.

The Bishop and Council also wishes to express to our beloved Bishop their congratulations on this day, the anniversary of his consecration as Bishop of the Diocese, and express the hope that he will be spared many years to serve the Diocese and to be our respective leader.

Respectfully submitted,

J. McNEAL WHEATLEY,

Secretary of the Diocese

REPORT OF THE FINANCE COMMITTEE

To the Forty-second Annual Council of the Diocese:
The Finance Committee begs leave to report:

Meetings of the Finance Committee were held at times of the Bishop and Council meetings.

Action taken is reflected in reports of the Diocesan and Mission Treasurer's reports.

At the meeting of April 18, 1940, requests for the Mission Departments were presented, and the Diocesan Expense Budget was compiled and presented to the Bishop and Council for their approval, members of the Bishop and Council, giving same their consideration; and after some changes were made, gave their vote of approval.

We herewith present to you copies of the approved Budgets for the year 1941, for your consideration and move that they be adopted by this Council, subject to revision by the Bishop and Council as changes become necessary.

Respectfully submitted,
The Finance Committee,

May 1, 1940 (Signed) SETH F. GREEN,
Chairman

The Finance Committee begs to report that it has been impossible to review the Annual Reports of Parishes and Missions on account of the delay in their receiving these reports.

It seems it is next to impossible to have all of the Rectors and Treasurers of Parishes and Missions to file the Reports with the Bishop within the time adopted by the Bishop and Council. The ruling is, that these reports must be filed on or before February first each year.

We suggest that Rectors and Treasurers immediately after their Parish and Missions annual meetings, take from these reports the necessary figures and data and without delay compile the annual report to the Bishop.

It takes some time for the Bishop to go over the reports for the information he desires.

The reports go to the Diocesan Secretary who in turn is ordered to place said reports in the hands of the Finance Committee.

The reports for the year 1939 show many errors and omissions.

This confusion of reports could be adjusted before the Annual Council, providing the reports are made and forwarded within the proper time.

Respectfully submitted,

The Finance Committee,

SETH F. GREEN,

Chairman

REPORT OF FIELD DEPARTMENT—1939-40

During the summer, Father Wheatlev asked to be relieved of the chairmanship of the Field Department, and the Bishop appointed the Rev. W. A. Driver in his place.

The Department received from national headquarters and forwarded to the Parishes the Pledge Cards and many other pieces of literature designed to aid the every member canvass.

On October 4th and 5th a conference was held at Barker Hall in Michigan City under the leadership of Bishop Sturtevant. This conference had a large attendance of clergy and laity.

On Sunday evening, October 22, St. James' Church in Goshen entertained a very successful conference on the Church's work.

In spite of these promotional efforts the Department was not able to report to Bishop and Council in January any increase in Missionary Expectancies, but it was agreed that more of the Expectancies are likely to be paid in full.

The Department recommends that next fall a dinner and evening conference be held in each of the deaneries, instead of the single conference. The participation of the laity in discussion and planning is especially to be encouraged.

The expenditures for the year are as follows:

Conference in Michigan City	$74.25
Postage	7.90
Express Charges	4.19
Office Expenses	8.66
TOTAL	$95.00

Respectfully submitted,

(Signed) WILLIAM AARON DRIVER,
Chairman, Field Dept.

REPORT OF THE DEPARTMENT OF PUBLICITY

The Department of Publicity of the Diocese of Northern Indiana respectfully presents its report to the Diocesan Council assembled.

During 1939 five issues of **The Pastoral Staff** were published. These issues were mailed to the homes of the communicants in every parish but one. It is felt by your Department that while this method may be more expensive it is infinitely more productive of the desired results than that of sending bundles for distribution from the Church.

Religious Broadcasts: The National Council provides a set of ten recordings of addresses given by prominent clergy and laity of the Church. These records are to be used by local broadcasting stations. At present they are being used by station WTRC in Elkhart. Anyone interested in securing these records for broadcasting in their communities should communicate with your Chairman of the Department of Publicity.

A COMMUNICATION FROM THE HOUSE OF BISHOPS

(The Report of the Committee on Proper Care of Trust Funds)

The House of Bishops at its meeting on November 8th adopted the following resolution:

"RESOLVED, That a committee of three be appointed to prepare a communication from this House to the Church on the proper care of Trust Funds. In addition to calling the attention of responsible leaders of the Church to Canon 51 of the General Church Canons, it shall make such other recommendations as the experience of the Church has shown to be advisable."

The Committee appointed, in accordance with the resolution therefore, issues the following statement with the request that attention be called to its contents in every Diocese and Missionary District.

CANON 51, Section 2: "It shall be the duty of the custodians of all trust and permanent funds for Church purposes to deposit the same in trust with some Trust Company or Bank organized under the laws of the United States, or of a Sate, or with a corporation of the Diocese, such as an incorporated Board of Trustees, and a full and detailed statement of each fund shall be annually reported to the Diocesan Convention, or the District Convocation."

To deposit the trust and permanent funds in trust with a Trust Company or Bank means much more than the rental of a safety deposit box. It signifies a trust agreement with the institution in question. The use of such an institution as fiscal agent is highly to be recommended as the cost for such service is not high and, in most cases, makes financial advice available. Whether acting under a trust agreement or as fiscal agent, the Trust Company or Bank should be ordered by the Church authorities not to sell securities or to convey titles to real estate unless proper authorization is given by action of the Finance Committee in accordance with the manner specified.

Where the trust funds are handled directly by an incorporated board, the Diocese should direct that the securities, etc., representing such funds, be kept in a safety deposit box in some proper institution. Such securities should not be kept in desk drawers nor with private papers of some individual in his own deposit box. Not only should each Diocese or District holding the funds in this manner have a safety deposit box of its own but access to it should be granted only under conditions laid down by the authority ultimately responsible. No one person alone should have access to this box. This removes any temptation to use Church securities as collateral for personal loans or to substitute fake securities or mortgages for the genuine properties of the Diocese.

It is strongly urged, however, that in all circumstances, regardless of the permission of the Canon, trust and permanent funds should be deposited in trust with some proper company.

CANON 51, Section 3: "All accounts, having to do with the receipt and expenditure ,or investment, of money of all Church organizations shall be audited at the close of each year by a certified public accountant; Provided, however, that if the amount of income for the year, as shown by the account, shall be less than $3,000 or if a certified public accountant is not available, the audit may be made by an accountant bookkeeper in no way connected with the subject matter of the account."

The certified public accountant should include in his duties an examination of the actual securities of the Church and should state in his report that he has done so.

CANON 51, Section 4: "Each Diocese and Missionary District shall appoint at its next regular Convention or Convocation—provided one has not heretofore been appointed—and annually thereafter a finance Committee or a Department of Finance for the following purposes:

(1.) To maintain general supervision of the financial affairs of the Diocese or District; to secure simplicity and accuracy in collection and disbursements of all funds, and cooperation between the various officers, trusts, and boards of the Convention or District; for which purpose it shall establish its own rules and keep a record of its meetings, all of which shall be submitted annually to the Convention or Convocation.

(2.) To act as advisor of the Bishop in financial matters; and, upon request, as advisor to individual parishes within the Diocese or District."

In a Diocese or Missionary District, there may be various incorporated boards each with a definite though limited financial responsibility. The Finance Committee or Department of Finance to which reference is made in the above Section 4 of Canon 51 has a more comprehensive responsibility since it is to have supervision of all Diocesan financial affairs. Its creation is mandatory. Therefore, where it does not now exist, the committee urges prompt compliance with the Canon.

The Church may in general well be proud of the devotion and integrity of its treasurers and financial advisors. There have, however, been instances where matters for which the members of a board have been jointly responsible have been left in the hands of one man. In a few cases this confidence has been betrayed. Quite apart from the possibility of such unfortunate instances a committee of men all of whom are trained in finance will usually handle trust funds better than a single individual. Both efficient management of the funds of the Church and the removal of the possibility of dishonesty are secured when the members of a board or committee recognize their corporate responsibility. It need hardly be added that in all cases treasurers and all others in control of funds should be bonded in sufficient amount to insure adequate protection against loss to the Church.

Finance committees and boards should be familiar with the State law in reference to trust funds and take care that the provisions of the law be strictly observed.

Parishes

The provisions of Canon 51 apply in part to parishes and missions as well as to Dioceses and Districts.

Those responsible for parochial trust funds should administer them in accordance with the general principles laid down for the care of Diocesan funds.

An annual audit is required of parishes and missions and also it is required that in every case the budget system should be used.

In general, it should be stated that every care must be exercised by parochial officers to prevent the possibility of loss. For example, the offerings made at all services should be counted by two trustworthy persons and the amount, together with the date of the service, entered in a book kept for that purpose.

Money given by parishioners for missions should never be used for current expenses but should be kept separately, preferably by a missionary treasurer, and forwarded to headquarters at regular intervals.

LEWIS BLISS WHITTEMORE, Bishop of Western Michigan

ALEXANDER MANN, Bishop of Pittsburgh

BENJAMIN M. WASHBURN, Bishop of Newark

REPORT OF THE DIOCESAN DEPARTMENT OF CHRISTIAN EDUCATION

The Howe Conference conducted for one week each summer is the outstanding project of the Department. This conference in 1939 had a faculty of 15 persons drawn from the leaders of this and nearby Dioceses as well as from the National Council. Last year 80 persons were present for the entire conference and many others took advantage of the program for one day or a part time period. The conference offers training which increases Church knowledge and loyalty in our youth and courses for leadership training of adults and youth. The Department recommends the Howe Conference to you and calls your attention to the program for this year.

Last year the Rev. D. A. McGregor, Ph. D., of the National Department of Christian Education selected Trinity Church, Fort Wayne, to be one of the cooperating centers through which the National Department works with the Diocesan Department. During this year the Committee on Christian Education for Trinity Church and the Diocesan Department have worked on a survey of this parish, the community, and the Diocese. Material on this work which is about completed will be sent to and studied by the National Department, who will advise the Parish Committee and Diocesan Department in ways of developing programs which will meet the special and particular needs of our Diocese. We anticipate that the result of this survey will benefit all parts of the Diocese and aid the Department in sponsoring the several activities it sponsors.

Miss Turley, the United Thank Offering Missionary, was assigned to work with the Department as an advisor and field worker. Through a pilgrimage made by Miss Turley during the fall and winter, the Department has gained a knowledge of educational programs, facilities and equipment used in the Church School and other organizations for children, youth, and adults. This pilgrimage has also given the Department an insight into the training and needs of teachers and leaders throughout the Diocese. This information will guide the Department in plans for the future.

In the fall the Department planned a Week-end Youth Council which was held at Trinity Church, Michigan City, October 13-15. Sixty-five young people from nine parishes took part in the program of this Council. The young people organized under the name "Young Churchmen of Northern Indiana." Interest created at this conference has helped to strengthen parish groups of youth and it has led to the formation of several new youth organizations with the Diocese. The Department recommends that another Youth Council be held in the fall of 1940.

In an effort to stimulate the Lenten offering, the Department planned for Presentation Services in each of the three Deaneries. Banners were presented to the Church School in each Deanery which had the largest offering per capita. These services were held in Valparaiso for the Calumet Deanery with Father Driver as chairman; in Goshen for the South Bend Deanery with Father Woolverton as chairman; and in Marion for the Fort Wayne Deanery with Father Croft as chairman.

Thought has been given to District and Deanery Institutes for Teacher and Leadership Training but due to concentration on several other projects plans were not accomplished for this past year. The Advisor held individual conferences with teachers and leaders and also attended and spoke to groups of teachers while making her pilgrimage throughout the Diocese. Definite plans are being made for Institutes early next fall.

The Department met in Mishawaka on December 16th and was organized into three commissions as follows:

1. Work with and for children (under 15 years)
   Church School
   Special offering and project: Lenten offering, Birthday offering, and Christmas boxes.

   Commission appointed:
   The Rev. William A. Driver, Miss Pearl Brown, Mrs. Donald Gates.

2. Work with and for Young People (15 to 25 years)
   Youth Organizations
   Programs—Youth Council
   Leadership

   Commission appointed:
   The Rev. V. P. Stewart, The Very Rev. R. Ingersoll, Mr. Jamieson.

3. Work with and for Adults
   Leadership training
   Adult education

   Commission appointed:
   The Rev. S. H. Croft, Mrs. W. H. Fritz, Mrs. D. Gates.

The Bishop, The Venerable J. McNeal Wheatley, chairman of the Department, and Miss Turley, the Advisor, to serve with each commission.

As a result of the survey of the Diocese made by the Field Worker in her pilgrimage, the Department recommends two pieces of work to be undertaken by the Diocese this next year:

1. To get in touch with the isolated communicants of the Diocese and send lesson material to the children of these families. To extend this work to include unchurched families within our Diocese.

   The Department asks for the cooperation of each priest of the Diocese in securing names of these people and also asks for help in carrying forward the work.

2. To concentrate on work in one or more of our missions, using the mission as a center for Christian training of the people in the outlying rural districts. We recommend that application be made to the Church Army for a Captain to take over the leadership of this work. The Church Army trains its men for this particular type of work and such a leader will develop a piece of work to be later turned over to a priest. Other Dioceses have developed remarkable work through this method. The rural districts in our Diocese are truly "white and ready for harvest." For your consideration we suggest Kendallville as a center, to include Auburn and Garrett.

With the acceptance of these two new enterprises, the Department looks forward to another year of progress.

Respectfully submitted,

J. McNEAL WHEATLEY,

Chairman, Dept. Religious Education

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

Report 1—Eligibility of Women to Seats in the Council

To the Diocese and Council of Northern Indiana:

Your Committee on Constitution and Canons to which was referred a resolution regarding women having seats in the Council, beg to submit the following report:

We do not have the original canon as introduced before us, but the exact wording is of very little importance, the purpose of the resolution being as stated before. The proceedure necessary would be by amendment to the present constitution and not by canon. Article V of the present constitution provides for the Diocesan Council. Sections 1, 2, and 3 provide for the legislative powers of the Council and the membership ex-officio. Section 4 provides for the membership representative and reads as follows:

> "4th. Each parish in the Diocese shall be entitled to three (3) delegates, and each mission to one (1) delegate, who shall in all cases be male communicants of the Church, not less than twenty-one years of age, and residents and stated worshippers of the parish or mission which they represent; provided, such laymen are not under ecclesiastical discipline, and have been elected delegates in accordance with the Canon governing the election of delegates."

The Committee would report that under the provisions of the present Constitution, either from a parish or mission, delegates must be "male communicants of the Church, not less than 21 years of age, resident and stated worshippers in the parish or mission they represent, and duly elected in accordance with the Canon governing the election of delegates."

The Committee reports that the necessary procedure would be by a constitutional amendment duly adopted under Article XII of the Constitution, which provides for amendments as follows:

> "This Constitution shall not be amended, in whole or in part, by a Council, unless the proposed amendment shall have been submitted to and approved by a previous Council, nor unless at its final adoption it shall be approved by the Bishop and shall receive three-fourths of the vote of each order."

The Committee would respectfully call the attention of the Council to Canon 27, which provides for the House of Church Women, giving this body legislative power over women's work in the Diocese and to act in a consultative capacity in such matters as the Bishop or Standing Committee may from time to time submit to it for its opinion. The meeting of the House of Church Women shall be separate from the Council, but custom in the past has been that such meetings shall be held concurrently with the Council so that any matters pertaining to women's work in the Diocese may be the object of a joint conference. The Committee cannot report the time of the adoption of Canon 27, but it has been in effect more than fifteen years. The women of the Diocese operated under this canon for several years, and in 1928 when the canons were revised, the word "shall" was changed to the word "may" at the specific request of the women of the Diocese and expressing a desire to abandon the work

under the House of Church Women and revert to the carrying on of such work under the former Woman's Auxiliary system now in effect.

In view of the above facts, your Committee is of the opinion that all women's work is taken care of under the present Auxiliary system, and to present a proper amendment in conformity with the resolution amending the Constitution would be entirely useless.

Respectfully,

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

Report 2—Right of Women to Serve on Vestries

To the Diocese and Council of Northern Indiana:

Your Committee on Constitution and Canons to which was referred the following resolution:

> "Be it Resolved, That Section 1 and 2 of Canon 11 be referred to the Committee on Constitution and Canons for clarification and that the Committee be instructed to prepare and submit to the next Diocesan Council such suitable and proper amendments as may be necessary to clarify these sections so as to permit women to serve on Vestries."

beg to report as follows:

The question involved in this resolution to permit women to serve on Vestries is both canonical and statutory. It is canonical in that Vestries are provided for in Canon 58, page 158 of the Constitution and Canons of the Protestant Episcopal Church of the United States under the title "Of Parish Vestries", also canonical in that similar provision is made in Canon 11, page 20, of the Constitution and Canons of the Diocese of Northern Indiana, under title "The Election of Church Wardens and Vestrymen," and statutory in that provision for the election of Vestrymen of Parishes is provided for in an act of the Legislature of Indiana in force August 17, 1855, entitled, "An Act to authorize the election of Church Wardens and Vestrymen and defining their powers and duties."

The above act as amended in 1891 appears in Burn's Indiana Revised Statutes 1933, Vol. 6, under Sec. 25-2201, and is in the following language:

> "Wardens, vestrymen, and rector incorporated. — The wardens and vestrymen of any parish or congregation of any church in this state requiring the services of such officers and agents which shall be or have been chosen in accordance with the provisions of this act, as well as with the canons or rules and usages of such church, and of whose election a record has been made as hereinafter provided, shall, in conjunction with the rector of such parish or congregation, constitute and be deemed a body politic and corporate under the name of "the rector, wardens and vestrymen of _____ church _____," and may also be designated and referred to as the vestry of such parish or congregation. Such persons, by their said corporate name, shall have power to contract and be contracted with, and to sue and be sued, with like effect as other persons and corporation."

Section 1 of Canon 58 of the National Church provides that the number, mode of election and term of office of wardens and vestrymen shall be such as the state or Diocesan law shall permit.

The statute of Indiana provides that the Rector, Wardens and Vestrymen when duly elected according to statute and in accordance with the rules and regulations and usages of the Church shall be deemed to be a body politic and corporate under the name "The Rector, wardens and vestrymen of _____ church,_____.", with the regular powers incidental to other corporations. Section 25-2202 provides that the number of vestrymen shall not be less

than three nor more than nine, and another section provides that the number may be changed by any church parish or congregation so that the number may not be more or less than provided for in the act. Canon 11 of the Diocese of Northern Indiana provides the date of the annual parish meeting and also the election of two church wardens and the election of not less than three nor more than nine vestrymen. There are other provisions in connection with this in which we are not interested.

Your Committee would report that they have made diligent search for any deviation from the term "vestrymen" in the Canons of the National Church and Diocesan Church and also in the statutory provisions of the state of Indiana. In view of the facts, your Committee is compelled to come to the following conclusion, and so reports:

1. That the common use of the term "vestrymen" in the statute of Indiana, in Canon 58 of the National Church, and in Canon 11 of the Diocese of Northern Indiana is descriptive and means "men", and that the term "vestrymen" is not broad enough to include women.

2. The Canon law is simply a restatement of what had been before recognized as law; that the regulations relating to wardens and vestrymen are those provided by the laws of the state of Indiana.

3. That the statutes of Indiana provide for the election of "vestrymen" in accordance with the provisions of the act and in accordance with the canons and rules and usages of such church; that the usage of the church in the past has been to elect men on Vestries, both under statutory provision and Canon law; that this has been the invariable rule in both Dioceses in Indiana in the past, as both are governed by the provisions hereotfore recited, and as in neither the Diocese of Indiana or Diocese of Northern Indiana has any action ever been taken by any church to so enlarge the term "Vestrymen" to include women.

4. That it would be entirely useless to amend Canon 11 to include women without first obtaining an amendment to the statutes of Indiana in order to form a subsequent amendment to Canon 11.

Respectfully submitted,

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

Report 3—Proposed Amendment to Section 2, Canon 5

To the Diocesan Council of Northern Indiana:

Your Committee on Constitution and Canons to which was referred the proposed amendment to Section 2 of Canon 5, submits the following report.

The proposed amendment is as follows:

> "To insert in line 8 between the words 'upon' and 'the' the following words:
>
> " 'and shall not exeeed 10% of', so that this sentence will read, 'These assessments shall be based upon, **and shall not exceed 10% of**, the average of the current expenses of each parish and mission, as shown in the annual reports made in conformity with Section 4 of this Canon, and published in the Journals of the Diocese for the five years previous.' "

This amendment, if adopted by a majority vote of this convention and approved by the Bishop of the Diocese, shall immediately be incorporated in the canons.

If the amendment is adopted and is applied to the Budget as prepared by the Committee on Finance for this year, it will be necessary to have the present Budget revised in accordance with the amended provision which would require time for the Budget Committee to report back to this Convention in accordance with the amendment, and the Committee is of the opinion that it is too late at this time to have the amendment apply.

The Committee is not adverse to the amendment in its purport and intent, but if the application of the amendment shall be immediate and apply to the present Budget, the Committee report and recommend that the amendment be indefinitely postponed.

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

The Board of Examining Chaplains of the Diocese of Northern Indiana respectfully presents its report to the Diocesan Council assembled:

Meeting of the Board of Examining Chaplains at St. Gregory's House on February 13, 1939. The correspondence of Mr. Mixer, a Postulant, was read by the Chairman and discussed. It was decided that Mr. Little and Mr. Bailey, who were desirous of taking Deacon's examinations, should be examined during the Octave of Easter.

It was felt advisable that the Board meet regularly at the four Ember seasons of the year, or within a week of the same.

The following assignments of subjects were made tentatively:

The Rev. Fr. Severance: Christian Doctrine, Dogma and Liturgics.

The Rev. Fr. Ingersoll: Church History and Christian Missions.

The Rev. Fr. Stewart: Christian Ethics, Moral Theology, Polity and Canon Law.

The Rev. Fr. Wheatley: Holy Scripture and Ministration.

The Board of Examining Chaplains, meeting at the Deanery, Mishawaka, conducted written examinations for Mr. Thomas Little and Mr. Hubert Bailey. Examiners present were Frs. Ingersoll, Severance and Stewart. Date, April 2nd and 3rd.

The Board of Examining Chaplains, having studied the evidence submitted by Mr. Chester Mixer in lieu of examination for Candidacy for Holy Orders, found said evidence satisfactory.

The results of the examinations of Mr. Thomas Little and Mr. Hubert Bailey were mailed to the Bishop of the Diocese on April 3rd.

Resolved that:

WHEREAS John P. Nicholson, a faithful and devout member of St. James' Parish, South Bend, has been taken from the Church Militant to the Church Expectant, and as he has in loyalty and faithfulness on earth, caused to us here, a sense of deep and profound loss, yet knowing he will go from strength to strength, prayers will be offered, that he may rest in peace, as do the souls of the faithful through the mercy of God.

Against this amount, there have been checks issued, amounting to $1468.38. After deducting this amount from the above $1951.85 there remains a balance on hand of $483.47, as of March 31, 1940.

I have checked this balance with Bank Statement, which shows a balance of $877.36, as of March 30, 1940.

Against above balance the following outstanding checks are to be taken into account, viz.:
